

Parents now have the option to set limits for Ala Carte purchases in Family Access. These limits do not affect the ability of the student to purchase the breakfast or lunch items. Only those items set up as “Ale Carte”. This option may be set by any family associated with the student.

1. Login to **Family Access**
2. Select **Food Services**
3. Look for the “Weekly Purchases For:” box on the upper right side of the screen. Then look down to find the “**Set Ala Carte Limit**” link and select it
4. A box will appear with each student listed; choose the desired option for each student.
 - Set a limit with 0.00 = No limit
 - Set a limit with an amount listed = Daily allowance for Ala Carte items for this student
 - Do Not Allow Purchase = No Ala Carte purchases allowed.
5. Save

Parents may go in and make changes any time during the school year to turn on or turn off limits.
